## June 18-25, 2022 trip to BONAIRE!

**Fintastic Diving invites you to explore the exciting underwater world and the protected waters of BONAIRE!!**

Join us as we spend eight days and seven nights at **Plaza Resort and diving with more fish species and marine invertebrates than you can count!!** This trip is a **diver's dream!** We have two different choices of rooms with one of them being **Oceanfront!** With **twelve boat dives and unlimited shore diving**, there is nothing short of fun and excitement for this trip. If you are feeling adventurous, add a **night boat dive** or if **luxury** is what you are seeking, stay in the **Grand Ocean View Suites**, which have been completely renovated recently for luxury! When you are not diving, enjoy the hotel's **amazing beach, the recently renovated swimming pool, a nice massage, snorkeling of the beach, paddle boarding, and the on-site casino** as they are just a few of the many amazing amenities! **Bonaire** is most famous for the ability to scuba dive and identify more species of the underwater world in one dive than on all your dives in another dive location. Out of all the places we go, our favorite place to dive is Bonaire. Come see why we love this country and its beautiful underwater world. **Join us and make Fintastic Diving your next adventure!**
